15TH INTERNATIONAL CHRISTMAS BAZAAR

THE INTERNATIONAL WOMEN'S CLUB OF TALLINN INVITES EVERYONE TO ITS ANNUAL CHRISTMAS-SHOPPING-FOR-CHARITY EVENT

This year's International Christmas Bazaar will be held on **Sunday, November 29th 2020 from 12:00 to 16:00** in the outdoor farmer's market area of **Balti Jaama Turg**, Kopli 1, 10412 Tallinn.

Enjoy a lively, family-oriented afternoon of Christmas shopping for specialty handicrafts, designer gifts and international delights while supporting charitable organizations such as SOS Children's Village Estonia and many more. In addition, there will be a special visit from Santa.

Over 20 embassies and their representatives will be selling delectable edibles, beverages and culturally unique gifts from their home countries. This year, our popular auction with fantastic items for sale, courtesy of our business sponsors, entrepreneurs and the embassies, will take place as an **Online Auction** during the entire month of November on Osta.ee. Additionally, and for the first time, we will be using the online platform of Osta.ee to sell great surprises in the form of themed **Mystery Bags**.

Free Admission!

All proceeds from the International Christmas Bazaar sales will be used to support local charity organizations, especially those focusing their work on the wellbeing of women and children in Estonia.

ABOUT THE INTERNATIONAL WOMEN'S CLUB OF TALLINN:

The International Women's Club of Tallinn (IWCT) was founded in 1993 with the main objective of a social service club and organizing fundraising activities for the benefit of Estonian children's and women's charitable organizations. The IWCT currently has 70 members of 28 different nationalities. We welcome women, who have recently arrived in Estonia, provide assistance and try to gain insight to our host country Estonia as well as each other's cultural life.

Since its inception, the IWCT's annual Christmas Bazaar has raised in excess of 350.000 EUR, all of which was distributed to more than 22 different charity organizations in Estonia.

Last year's Bazaar in Kultuurikatel was opened by the Estonian Minister of Foreign Affairs, Mr Urmas Reinsalu, attracted more than 3.800 visitors and raised approximately 35.500 EUR. The funds enabled us to support twelve organizations and projects in 2020. We covered the annual expenses of 15.000 EUR for our godfamily in the SOS Children's Village in Keila and provided financial assistance for My Dream Day Foundation, the Foodbank and numerous Children's Centers and Women's Shelters in different parts of Estonia.
